Shipping copies of Frame-Up to Harold Weisberg

Information from Bob Keilholtz, Beall's Express, Thurmont, Md., phone 301/271-7076, 5/14/73

Beall's connect in Baltimore with most but not all of the truckers serving the upper New Jersey area. The upper Jersey line will know.

Mostly commonly on this end,

W.T.Cowan
Davidson Transfer
Yale.

There will be no extra charge for using a smaller truck to get into my lane. Beall's will simply reload into a smaller, local-deliveries truck at their terminal.
